

CAREER PATHWAYS CRITERIA

Overview

We are thrilled you are considering applying to the [Imagine Her](#) Career Pathways Fellowship Program Class of 2023/2024!

This is a 9 months program intended to transform the university education experience in Uganda by equipping learners with desirable employability and entrepreneurial skills for workforce readiness & job creation. This is attained through the Design Thinking methodology included a sequential, creative approach to problem-finding, framing, and developing tangible solutions to diverse needs in the economy

Thematic Areas

We are looking to develop youth-led innovative solutions that address challenges in one or more of the following thematic sectors.

Climate change

- Waste Management
- Renewable/Clean Energy
- Sustainable transport
- Sustainable Housing & Clean Cities

Agriculture

- Sustainable Farming
- Post-harvest handling
- Market Access
- Agro Inputs

Others

- Disability & Inclusion
- Finance & Banking

0756 934 010
0785 150 274
